Miss Hattie Douglass, R. N., Red Cross Health Nurse for Lamoille county, who has been detained at her home in Winooski for several weeks on account of illness, returned to Morrisville Friday, and has taken up her work here once more.

Roxanna Mary is the name of a daughter that arrived is the family of Mr. and Mrs. T. R. Woodard Thursday, February 17th. Mother and child are doing nicely and Pa Woodard and the rest of the family decidedly happy over the new addition to their number.

People's Academy is about to publish a paper in the interest of the institution.

Mrs. J. Frank Jackson and Mrs. A. W. Waite are visiting friends in Boston.

J. Randall Child of Boston came Saturday night for a few days' stay with his family here.

The Woman's Club held a food sale at the vestry of the Universalist church Saturday afternoon.

The Evangelistic meeting conducted by Evangelist Lodgepole are calling out large crowds, not only from Morrisville, but people are coming in from surrounding towns.

That was some cars—the special train from here to Stowe and return Tuesday. It was made up of an up-to-date engine (Burt's caterpillar) and four modern "Pullman" cars, well-upholstered. Chas. Riley was the conductor and spared no pains to make all comfortable. It was a joyful "Joy ride."

The Bijou Theatre opened last Wednesday evening with a Free Show and full house. The picture "The Peddler of Lies," featuring Frank Mayo was a good one and the serial, "The Purple Riders," with Joe Ryan, was one of the best. The new equipment proved to be a good one and Mr. Emmons was complimented for a successful opening.

In honor of Washington's Birthday and in perhaps more particularly in order that Morrisville might have a good representation at the Mid-Winter Carnival at Stowe, all the stores and places of business here were closed all day. A large number went to Stowe and every one says "Stowe knows how to put up a good thing, winter or summer." All received the glad hand and were given a hearty welcome, a splendid dinner and a fine entertainment. Stowe never disappoints in any undertaking that it gets up.

"Red Cross Public Health"

Thursday March 3, Jeffersonville,
Friday March 4, Waterville.

As long as transportation is possible, this schedule will be followed, reaching each town once in two weeks.

Everyone should avail themselves of the opportunity of Miss Douglass' advice, and also should report any cases to her, that would seem to need her care or instructions.

Isaac Newton Lebaron

I. N. Lebaron, Jr., died at his home on Elmore Road last Friday afternoon, after an illness of four weeks with tubercular meningitis. The funeral was held from the home Sunday, Rev. G. F. Fortier officiating. The bearers were Irving and Dana Lebaron, brothers of the deceased, and Claude Fisher and Tom Stewart. The body was placed in the vault in Pleasant View Cemetery to await burial in the spring.

Isaac Newton Lebaron, Jr., was one of seven children of Mr. and Mrs. I. N. Lebaron, and would have been 42 years of age, had he lived until March 3rd. He was born in Morrisville and his whole life had been spent here. He was a graduate of People's Academy and in late years has been an R. F. D. mail carrier. Nov. 3, 1904 he was united in marriage to Miss Lilla Merrill, who with three children, Barbara, Shirley and Kathrine, survive him. He is also survived by his parents, two sisters, Mrs. T. J. Stewart and Miss Daisy Lebaron, and two brothers, Irving and Dana Lebaron, besides a host of friends.

Mr. Lebaron was a kind and loving husband and father, a valued citizen and friend, and will be missed by all. The sympathy of the community is extended to the family in their great bereavement.

Mr. Lebaron was the oldest in service of the R. F. D. Carriers, having served about twenty years, his last trip being made January 21. In all the years of his service he made good and those whom he served on his route found him faithful, courteous and obliging. No one more sincerely mourns his death than these people.

CARD OF THANKS—We hereby express our sincere thanks to all those who by acts of kindness and words of sympathy, ministered to us in our deep affliction. We are exceedingly grateful for this and our desire is that Heaven's blessing may rest upon you all.—Mrs. Lilla Lebaron, Barbara, Shirley and Kathrine Lebaron.

STOWE'S BIG STUNT!

A Large Crowd and a Great Success

Stowe's "mid-winter carnival," held on Tuesday of this week, was a great success from start to finish. Large crowds of people gathered there from Barre, Montpelier, Burlington, Morrisville and other places and in numbers estimated at fully a thousand. There was something doing every minute, from early dawn until late at night.

The Auditorium was the headquarters and many availed themselves of inspecting this model building—a tribute to fallen heroes and a building of great use to the living.

Dinner was served at noon in the Community church and a fine dinner it was. Hundreds were nicely taken care of and the hotel and restaurant also had a big patronage.

After dinner the sports began. There was the snake race, racing on bicycle runners and a concert by the band. Then the crowd went to Simmons' hill, back of the village, where there was toboggan sliding, ski jumping, snowshoe races and a concert, and maple sugar on snow. All of these events were exciting and greatly enjoyed. Nearly everybody took a slide and had great sport in witnessing the ski jumping, which was a novelty to many.

Those who took part in this sport were students from Dartmouth college, Norwich University and Burlington. The place where the sports were held was an ideal one and everybody enjoyed every stunt. Altogether the event was a success and one that showed that "Stowe knows how to DO things. All had a fine time and went home all the better for the day's outing in the open. The day was just right for the sports, which the pluck and enterprise of Stowe, that model village and splendid locality, knew just how to put up. People like to go to Stowe, for there they always find a real hearty welcome and a cordial come again.

Those winners in the sports were:—
Edlund of the University of Vermont won the ski jumping, making 62 feet.
Walker of Morrisville was second, with 58 and 52 feet, and Horton of Montpelier third with 68 1-4 feet.

The half-mile ski dash was won by Denmore of Dartmouth, St. Cyr of the University of Vermont second, and Bishop of Dartmouth third.

The 220-yard dash was won by Paris of the University of Vermont, Rand and Bassow, also of the University of Vermont, being second and third respectively.

The snowshoe race was won by Robert Cleveland of Stowe.

In the events on Main street, Horace Melendy of Jeffersonville, on skis, furnished thrills when he was drawn at the rate of 35 miles an hour by an automobile.

Freeman Walker, president of the Outing club of the U. V. M., broke his shoulder in his 56-foot ski jump. He was taken to the hotel and bandaged up by a local physician, and returned to Burlington with the rest of his party.

Pinner Woodstock gave an exhibition of ski jumping and Denmore and Bond of Dartmouth gave an exhibition of dual ski jumping.

The toboggan snake dance, many toboggans being hitched to a tractor, also furnished plenty of thrills and excitement on Main street.

Albert M. Whitcomb

A. M. Whitcomb, a well-known resident of this town, died at his home at Cady's Falls last Sunday evening, after an illness of several weeks from hardening of the arteries. A man of unusual good health, hale and hearty, he enjoyed life until stricken by this last illness.

The funeral took place from his late home Wednesday morning and was largely attended by relatives and friends. Rev. W. T. Best officiated and the body was placed in the vault at Morrisville. By request there were no flowers, but a sheaf of wheat, provided by the children, had a place on the casket. His request that two hymns be sung, "Nearer My God to Thee" and "God Be With You 'Til We Meet Again" were rendered by Rev. Best.

Albert M. Whitcomb was born in Hyde Park Dec. 7, 1848, a son of the late Sylvester Whitcomb. Born on the farm at Hyde Park Center, that place was his home all of his life, with the exception of a short residence at Centerville and a few years at Cady's Falls. During his residence in Hyde Park he served as Lister, Selectman and Overseer of the Poor, rendering faithful service in all positions.

He was three times married. His first wife was Sylvia Reed, by whom he had nine children, namely: Mrs. E. H. Campbell of Hardwick, H. N. Whitcomb of Providence, R. I., Mrs. E. R. Liley, deceased, Mrs. H. J. Titus of Hardwick, Myron J. Whitcomb of East Barre, Harold and Rossie, who died in infancy, Mrs. W. C. Jones and Flossie Whitcomb of East Barre.

His second wife was Amanda L. Burbank, to whom three children were born, Mary of Watertown, Mass., Albert, deceased, and Helen of Morrisville.

For his third wife he married Mrs. Julia Foye, who survives him, together with three children—Hattie, Albert and Hazel.

Lucius Boyes

Lucius H. Boyes, the oldest native resident of Hyde Park, died last Saturday at the home of his daughter, Mrs. Elmer Whitcomb, in this village. He had been in poor health some time and for the past few weeks had made his home there.

Lucius H. Boyes was 83 years old this month, a native of this town, where he always lived. He was a hard-working, industrious man and until this last illness was about at his daily toil. He took great delight in work and no matter what the weather, heat or cold, he was active.

He is survived by two daughters, Mrs. Elmer Whitcomb and Mrs. Ira Jones and one son, Leon Boyes. The funeral was held Tuesday afternoon, Rev. Mr. Morcer officiating. Burial was in this village.

Town Meeting Next Week

Town meeting comes next week—March 1st. We hear nothing special regarding town affairs. Everything seems to have moved along about right the past year and so far as we know the officials have given a good account of their stewardship. There is, therefore, no disposition to oust anyone because of any dereliction of duty. Town expenses have increased and efforts should be made to reduce them.

With this end in view, experienced officials should be retained. We refer especially to Morrill Gates, Road Commissioner. He has done good work, and has not been extravagant. The town will do well to retain him.

The only thing out of the ordinary to be acted on is voting on the five county tuberculosis hospital proposition. As far as we can learn the movement does not meet with general favor here. Ordinarily it might, but as the county is now paying off a bonded debt it is thought best not to take on any more.

CARD OF THANKS—We wish to express our sincere thanks to our friends and neighbors for the many acts of kindness and sympathy given us in our recent bereavement.—MRS. KATHERINE STEWART AND FAMILY.
